

# IHRO

International Historic Racing Organisation

In memory of our dearl y bel oved Stevie, our true IHRO friend and support.

Dear IHRO riders,

It is with great sadness that I have to tell you that Stevie Darnley died Tuesday morning 23<sup>rd</sup> September in Hospital.

Her Leukemia progressed very suddenly to Acute. She passed away peacefully, and we are all so pleased that we had such a good time at Hockenheim. She loved going to the IHRO meetings, and we(Hector) all like to think that she has gone to keep Willy company.

We will deeply mis here warn, friendly help during the IHRO races and socials.

We wish her family, Hector, friends and all IHRO riders great strength coming months.

*In behalf of all CMRCH and IHRO riders*
